**The Ryedale Family History Group** has a new Research Room at Hovingham Village Hall. **Nunnington Hall:** The National Trust is calling out to anybody that has an afternoon to spare to help with stewarding its historic rooms for visitors.. There is also a vacancy for a voluntary groundsman to help in the walled garden with grass cutting. The Hall is open Tues – Sun afternoons from March to Nov. A volunteer can come in as often as they like, from once a week to once a month. If this sounds of interest, then for further details, contact Linzi Caton at Nunnington Hall on (01439) 748283.

**Nature Notes** I was delighted to see my first spring butterfly, a male brimstone, on 25th March in our garden. This beautiful lemon-yellow insect emerges just as the buckkthorn comes into flower, a plant on which it depends. Here in Ryedale, my records indicate that we first see brimstone butterflies around the end of March, but according to the 'web', there have been records from Jan and Feb, with one in LIncolnshire in mid-Jan. *Dear Friends,*

May begins for the clergy of York Diocese with a 3-day conference at Swanwick, an event which takes place every 4 years or so. It's entitled: 'A Feast for All Nations'. Please pray for us as we seek to learn together, that we may be spiritually refreshed and reinvigorated for our ministry with all its demands. Please especially pray for Abp. Sentamu and the guest speakers.
