Dear Friends,

Focussing on the story of Jesus feeding the 5000 recently, we thought about how He can multiply our resources and transform our meagre offerings into something amazing and life-giving. The Cell Group concept has 'multiplying' as its aim, and it does work! Another (nationwide) initiative, **Back to Church Sunday** on 28 September, seeks to encourage those who have perhaps been absent for many years to give church another try. At 10.30am that day there's both a special Benefice service at St Michael's Barton le Street and a Harvest Festival at Slingsby Chapel. If you are a church-goer, please pray and think who YOU could personally invite and, if not, please consider yourself invited: we would love to see you!

with my love and prayers, Beryl.
